BAHULEYAN CHARITABLE FOUNDATION COLLEGE OF PHYSIOTHERAPY (BCFCOP)

The College is situated on the shore of the Vembanad Lake, 9 km from Vaikom Town, Chemmanakary, Kulasekharamangalam, a village blessed with natural beauty and resources. The College functions in a separate building adjacent to the Parent Hospital, the Indo-American Hospital, well – known for its specialization in Neurology and Neurosurgery. Of late, this Hospital has been expanded as a General Hospital with 205 inpatient beds. The College offers 2 years course of study leading to MPT degree which is awarded by Kerala University of Health Sciences, Thrissur .

Philosophy

Physiotherapy Education while catering to the ever demanding need of technically qualified personnel at national and international levels, will boost the career prospects of our students and will empower them with self – reliance, economic freedom and social commitment. Recognizing the shortage of adequately qualified and trained Physiotherapists and the overwhelming demand for them within the Country and abroad, Bahuleyan Charitable Foundation has decided to serve as a premier organization providing Physiotherapy Education by establishing BCF College of Physiotherapy in this remote, rural area. This endeavour is in keeping with the concept of its Founder, Dr. Kumar Bahuleyan, whose dream is to create a hub of quality para - medical education in this hamlet of Vaikom Taluk which is also his native place.

Mission

Our commitment is to provide excellence in physiotherapy education, to prepare physiotherapist who have a strong foundation in the basic and clinical sciences, and who demonstrate excellence in patient/client management, critical thinking and professionalism.

Vision

Excellence and innovation in education, clinical practice and research in physical therapy, through strong academic, health care and community partnerships.

Objectives

The main objective of offering the basic MPT degree programme of 2 years' duration by this College is to produce post graduates having Evidence Based Practice in knowledge of Musculo skeletal & sports, Neurology, Cardio Respiratory, Paediatrics, OBG, Geriatrics & Hand Physiotherapy which will enable them to provide comprehensive Physiotherapy care to all age groups, in all situations, both in the hospital and in the community. By offering a well planned and well supervised clinical training programme, the students will be enabled and empowered to utilize the latest technological innovations to provide quality healthcare as well as to conduct result – oriented studies in various settings and utilize the research findings to improve the quality of physical therapy. The course will also enable them to communicate effectively with individuals and groups, and members of any health care team in order to promote effective interpersonal relationship and collaborative work.

Facilities

- Well Equipped Anatomy, Physiology, Exercise therapy & Electrotherapy Laboratories
- Library – Spacious and well arranged library with more than 1000 books along with national and international journals.
- Computer Lab and Internet Facilities

- Audio Visual aids for teaching and learning assistance.
- Separate Hostel facilities for girls (in campus) and boys
- Canteen and Cooperative store
- Student Health Insurance
- Placement Cell
- Sports/ Arts recreation clubs/teams
- Continuing Professional Development for students and staff.

Faculty

The College faculty base comprises of guest, visiting and regular faculty. Experienced guest faculty are usually drawn from educational and clinical sector to provide critical insights on a particular topic. The core strength of the faculty is formed by regular or visiting faculty, who provide specialised support.

A salient and outstanding feature of the faculty of the college is that, every faculty engages in Interactive Distance Learning Programmes, Faculty Development Programmes, and conducts Continuing Medical Education Programmes every year to keep up-to-date with the recent developments in medicine and other sectors as well as global environment, to make education and training programmes more meaningful and relevant.

Parent Hospital

Indo – American Hospital, Brain and Spine Centre adjacent to the college campus, is the parent hospital of BCF COP. This super specialty hospital provides all facilities as available in any of the best hospitals in Europe or USA in the Neurology and Neurosurgery specialty. Dr. K. Bahuleyan founded the BCF Trust, a non profitable organization that runs the Indo American Hospital with a view that the poor patients should not be denied top class medical care due to their poverty. The hospital, one of the finest in the sub-continent, attracts patients from every part of the globe.

Achievements

BCF College of Physiotherapy students secured top positions in academic and extra curricular activities of District, State & National level competitions.
